PREFACE

Where there's Life there's Growth,—Asheville's a live town and growing!

SEE AMERICA—FIRST SEE THE SOUTH.

Begin with the "Land of the Sky" in Western North Carolina. Within 120 miles of Asheville are 21 peaks higher than Mt. Washington (6,290 ft.), 43 peaks higher than 6,000 ft., 82 higher than 5,000. Mt. Mitchell, 6,711 ft., highest peak east of the Rockies. R. R. now carrying passengers to near summit of Mt. Mitchell.

ASHEVILLE is the capital of the historic county of Buncombe. This county is situated in the Blue Ridge plateau at an elevation of 2,250 feet above sea level, bounded on the east and south by the Blue Ridge, and on the north and west by the foothills of the Unakas and Great Smoky Mountains. Buncombe County was formed in 1791, and derives its name from Colonel Edward Buncombe, a native of St. Kitts, East India Islands, who at an early age cast his lot with the good people of North Carolina.

It is in the center of a circle embracing the territory bounded by the Mississippi River, Gulf of Mexico, the Atlantic Ocean, and the Great Lakes. It is within the area of densest population in the States, and has special tourists' rates from leading railroads of this country. Stop over privileges allowed on all-the-year-round tourist tickets, all directions. Trains arrive at Asheville over the lines of the Southern Railway, "Premier Carrier of the South," with through Pullman cars from New York, Philadelphia, Baltimore, Washington, Nashville, Chicago, Cincinnati, St. Louis, Jacksonville, Mobile and New Orleans, connecting at these points with through Pullman car lines from Boston and the East; New Orleans, Tampa, and St. Augustine, South; and with the West at Chicago and St. Louis for Kansas City, Indianapolis, Cleveland, etc. Only 22 hours from New York, Chicago, St. Louis, New Orleans,—through sleepers.

Asheville is the business, social, educational and geographical center of the great Western North Carolina plateau, justly termed "America's Beauty Spot in the Land of the Sky," containing about 20,000,000 acres, of which about sixty per cent. is forest.

It is a busy, modern, energetic city with forty miles of paved streets; seventy-five miles of paved sidewalks; best gravity water system in America; forty churches; Young Men's Christian Association; Young Women's Christian Association; public library, with 12,500 volumes; various book and reading clubs; a fine system of graded schools; Board of Trade; Good Roads Association; Merchants Association; social clubs; country club; fraternities; medical society; bar associations; law library; hospitals and charitable institutions; military companies; cavalry troop; military band; seven banks; twenty hotels; eighteen-hole golf course; two daily newspapers; numerous weekly, church and school publications, etc.

It is a city set on a hill, in the midst of the most beautiful mountain country on this continent—a modern city of 35,000 population, including suburbs—cosmopolitan in its make-up, progressive, liberal, and given to hospitality.

ASHEVILLE BOARD OF TRADE.

BUSINESS IS GOOD IN ASHEVILLE

"Where Nothing Knocks But Opportunity"

The Man of the Hour

The Man of the Hour is the man with an open mind who places a fair and dispassionate estimate on the opinions and efforts of others.

The Man of the Hour is the man who gives prime recognition to all things that make for the common welfare of his community. The man who determines his course solely by how it may affect his personal interest is incapable of leadership and is of little or no value to his community.

The Man of the Hour is the man with a willingness to serve, and who finds pleasure and joy in the shoulder-touch with neighbors for the common good. Acquaintances thus formed, cemented by partnership successes and failures, yield bountiful returns.

The Man of the Hour is the man who displays a forgetfulness of self and selfish interests and who is generous in thought and deed. The man who complains that his work for the public welfare is not appreciated magnifies his own thoughts and acts, and has lost much of the joy of service.

The Man of the Hour is the man who believes in his fellowman, who believes in and works for the development of his community and its opportunities. The man who constantly takes from his community and accepts benefits derived from the efforts of others, without giving back something to the community or adding to the constructive efforts of others, is like the farmer who constantly takes from the soil but gives nothing back to the soil—productivity ceases, regardless of effort.

The Man of the Hour is the man who will confidently and surely lead others into the light of the great truth that "If any man desire to be first, the same shall be the willing servant of all." His rule and guide of life is "helpful service."

The Man of the Hour? Asheville has many of them, which accounts for the continued steady progress and prosperity of Asheville, the Mountain Metropolis of the High Altitude Area of Eastern America, the distributing center for the Appalachian National Park.

For information about Asheville, and for literature to send to out-of-town friends, call at the Board of Trade office, rooms 6-7-8, Temple Court, Phone 584.

A Few Reasons Why You Should Order from Us

1st. We sell popular Whiskies at popular prices.
2nd. The quality of our goods is unexcelled.
3rd. Our prices are the lowest.
4th. We are a "square-deal" firm—you are entitled to just treatment.
5th. We are the promptest shippers. Your orders receive immediate attention when you send them to Lynch.
6th. We do not make idle boasts; we have ample means to back up every statement we make. Reference: Any commercial agency in the United States; any bank or business house in Bristol.
7th. You should order from us because we are good judges of whiskey. All goods we buy from the distillers must be first-class, or we will not accept them. Hence you take no chance; you always get good quality when the goods come from Lynch's.

Facts worth while

Mr. Merchant

Your trade is not Limited to your Immediate Neighborhood.

THE DIRECTORY

Brings you in close touch with remote parts of the City.

Get Wise to These Facts

It Will be Worth While

The Mechanic may be limited by his trade, and have to hammer along the same old line. But you have a wide field.

Take my advice

And Be Progressive

Increase your business by advertising. The up-to-date merchant never gets more business than he can handle.

Is this the height of your ambition?

BRANCH OUT

Directory Advertising will bring satisfactory results.

"A word to the wise should be sufficient."

A PERSISTENT ADVERTISER

One of the most persistent advertisers in the history of success was Robinson Crusoe.

He believed in advertising.

He knew what he wanted—a ship.

And he put up an ad for one.

He flung a shirt on a pole at the top of his island; that, in the language of the sea, was plain to every seafaring man.

The circulation was small and there was no other medium, but Crusoe kept it there despite the fact that he got no inquiries for a long time. He changed his copy—as one garment after another was flapped out—and in the end got what he wanted, was happy, and his name and fame have come down through the ages.

The present-day merchant is much better off than Crusoe.

He Has The City Directory through which he can reach all the people, some of whom want his goods. Your chances of success are thousands to his one, but your chances of failure are the same as his.

Suppose Robinson Crusoe had taken down that signal after, say a year, and declared, "Advertising doesn't pay," where would he and his story now be?

Put up your signal and keep it up. There will be a number of ships crusing around during the year 1916 that will be glad to call and take you off the island of Dull Business.

Crusoe advertised under discouraging circumstances. You have got a sure thing—**The City Directory.**

Mr. Manufacturer, Merchant (Wholesale and Retail):

No other Publication in the world so thoroughly represents the commercial. social and private interests of your city as The City Directory. Representing, as it does, every private citizen from the hovel to the mansion; every commercial, social, religious and educational institution and all other data pertaining to your city. it is beyond question. the most accurate and complete index to the city and its various interests in existence..

The Directory is the dictionary to the city and the Piedmont Directory Co. intend that 1916 Directory shall be **The Unabridged Edition.** "The first aid to strangers and a standard remedy for homefolks," accurate, complete and up-to-date in every respect. Unusual prospects of profit (direct and indirect) and **Civic Pride** should influence every manufacturer and business man to have full representation in this Directory. and every well-governed home to have a copy of the latest Directory for the use and convenience of Strangers and visitors. **"Know thyself"** is sound medical advice;**Know Your City** is equally good business advice. Consult the Directory when you want to buy or sell and you will get the best of everything at the lowest price and help reduce the hight cost of living.

Mr. Manufacturer and Business Man—**It's a fact that the Directory is your city's only standing representative to the world beyond your own gates and the only index to your city's growth and prosperity. Future Directories,** by the exchange system. now in general use. will be placed in the Directory Libraries of the **Principal Cities of The United States** for the use of all who wish to consult its pages. A well-patronized city directory indicates a good city to locate in.

Yours truly.

PIEDMONT DIRECTORY CO.Ernest H. Miller, Pres. and Genl Mngr.
